Watkins 27 Pilothouse

**Quality, craftsmanship
and performance...
at a price you can afford!**

Watkins Yachts continues to upgrade its full line of yachts in every way possible, with better quality hardware, improved electrical systems, and standard teak and holly sole, to mention just a few. All Watkins yachts come very well equipped, but with many custom options available to suit your individual needs. See your dealer or write for free brochure.

Watch for the all new Watkins 32—coming soon!
